

## WALK NUMBER 2

### CIRCULAR WALK FROM ASTON INGHAM VILLAGE HALL TO MILL LANE

Approx distance 2 miles

From the Village Hall cross over the road & up Aston Bank. At the top take the footpath on your right & head slightly diagonally right towards a bridge in the fence. Cross over 4 fields & stiles in the same direction until you reach a road. Turn right & walk about 100yds until you reach a stile on your right. Cross over this stile & head diagonally towards the far corner of the field until you reach a footbridge. At the time of writing this bridge was closed but unless the weather has been very wet a ford can be crossed if wearing boots. Once over the bridge turn right & through a metal field gate, once through the gate, keep the hedge on your left until you reach a kissing gate onto a road. Cross the road & head slightly to your right through a gate to another gate & bridge on your right. Cross this field, continuing in the same direction towards the wood. You will see 2 footpath gates go through the right gate. Keeping the wood on your left follow this path passing through a kissing gate to another stile & bridge. Cross the bridge & head uphill still keeping the hedge on your left to a kissing gate onto the road. Turn right to the main road & then left back to the Village Hall.
